Export Control Classification & Instructions

These goods are subject to Norwegian export control regulations (Forskrift om eksport av forsvarsmateriell, 2013) and the U.S. Export Administration Regulations (EAR, 15 CFR 730-774). Export, re-export or transfer without prior written authorisation from the Norwegian Ministry of Foreign Affairs and, where applicable, the U.S. Bureau of Industry and Security (BIS) is strictly prohibited.

ECCN classifications: 7A994 (GPS receiver, radar system) | 7A001 (INS) | EAR99 (ECDIS, spare parts). HS codes verified per Norwegian Customs Tariff 2024. Country of origin: NORWAY.

The buyer and end-user confirm that the goods will be used solely for the stated civilian maritime navigation purposes and will not be diverted, re-exported or used for any military, WMD or prohibited end-use without obtaining all required licences. Violation may result in criminal prosecution under Norwegian Penal Code s. 133 and U.S. law.

Certification & Authorised Signature

I, the undersigned, declare that the information in this invoice is true and correct and that all goods comply with the requirements of the importing country.

Signature / Date: Stavanger, 18.11.2024
